Ms. Kathy Schram

"Anyone who has walked the halls of Plymouth North knows who Ms. Schram is. Even if you were not one of her beloved marketing students, you still knew who she was or heard her voice echoing down the halls. Ms. Schram leaves a legacy of excellence behind her. She worked so diligently, and tirelessly over the years to help make the DECA program the success that it is today. She has so many success stories of students achieving at a very high level for districts, states and nationals. The smile that would be on her face when a student was awarded the honor of walking on that stage and either getting a medal or a trophy was absolutely priceless. Everyone knew how much she cared for each and every one of her students, when they celebrated, she celebrated. When they broke down, she broke down. Her love and care for her students was so evident that it made us all strive for the same thing. Ms. Schram shared that same love for her co-workers. She was always willing to help you figure things out or find a new curriculum to help your classes succeed. Ms. Schram was someone you could always count on. As she departs from these walls here at North, we are all confident that what was once a work relationship, has become an amazing friendship. We are so happy for you to start this new chapter of your life Ms. Schram, enjoy it, soak it up, you have earned it!"

- Love your Tech Department

"Kathy, you have made such an impact on so many students. Thank you so much for teaching my boys to speak in public, this is the most important life skill that they learned in high school. I admire you as a colleague, you inspired me as a mentor and as an example of the absolute importance of developing relationships with all of my students and their families. I love you as a friend. We have had a great 10 years!"

- Mrs. Laura Drew

"Marketing and Accounting have been very important to my professional career and participating in DECA is one of my favorite memories from high school. Thank you for all that you've done for me and for Plymouth North!"

- Jordan Remy, Class of 2009

"Thank you for the best experience in marketing, it was a time I'll never forget! You were an outstanding teacher and role model, and I enjoyed the time we spent together learning and growing. It was a memorable experience learning the ways of marketing and DECA with you as my teacher and I will always remember it!"

- Lindsay Dyer, Class of 2022

DEDICATION

Retiring Teachers

History Department

Mrs. Lynn Larracuente

"Plymouth North and the History department are losing one of their best! For over twenty-five years Ms. Larracuente has touched the lives of countless students. Besides teaching all levels of US History and Criminal Justice she has been an advisor to the Student Council and chaperoned numerous trips, dances, and activities. Her professionalism and friendship will be missed by all of us as she embarks on many new adventures with her family. We are all better teachers, as well as better people for having worked with Ms. Larracuente. The knowledge and wisdom that she imparted to her colleagues each day has been so valuable. Her many years of friendship will not be forgotten, but she will be missed by all as well as myself here at PNHS. I wish you the time with your family that you have been dreaming about. Enjoy the sunshine and I can't wait to hear about all of your adventures."

- Mrs. Kim Wolcott, History Department

"Ms. Larracuente was one of my favorite teachers at North. She always managed to make our class interesting and make our advisory burst out in laughter. She brightened everyone's day and I bet she will continue to do so even outside of the classroom."

to know yourself very well
to know what your talents are
to set goals for yourself
to not be afraid of working too hard to reach your goals.

As your parents, we have tried to teach you

to honor your friendships and always be a true friend
to not be afraid to stick your beliefs

to adhere to your values.

As your parents, we have tried to teach you
to appreciate the importance of family
to respect and love one another, particularly our elder members
to carefully plan a life for yourself
to vigorously follow your chosen path, be adventurous
to enter into a relationship with someone worthy of you
to love this person unconditionally
to share all that you learn in life with this person.

If your father and I have provided you with an insight into most of these things, then we have succeeded as parents in what we hoped to accomplish in raising you. If any of these things slipped by while we were all so busy, we have a feeling that you know them anyway. One thing we are sure of...we have taught you to be proud of the fact that you a smart, kind, caring, wonderful person in this world. We have loved you every second of your life. WILLIAM

Feels like yesterday when your world was just us:

When you were born, early, smiling and the completion of our family.

When life was Spiderman costumes, pirate swords, and everything Army.

When we spent carefree days building with Legos, snuggled up reading books and a nightly story helped you fall asleep.

But then your world got bigger and so did you:

When our yard was the best: tree forts, basketball, street hockey, wiffleball, pool games, mini-golf, birdie.

When the neighborhood held Nerf battles and bike riding to Colony and playing man-hunt at night.

When joining sports teams brought friendships, fun and powerful lessons.

When we made family memories with vacations all over the country, holiday traditions, UNO and parties.

Yet it is now and the whole world is out there for you:

When you start this next adventure, remember we believe in you. You are ready to see it, live it, be a part of it. Years of hard work brought you here and we could not be more proud of the person you are - smart, creative, loyal, thoughtful, stylish, empathetic, wonderful. Our world is still, and will always be, waiting here for you. We are unbelievably grateful to be part of your world. We love you Willy.

Congratulations!

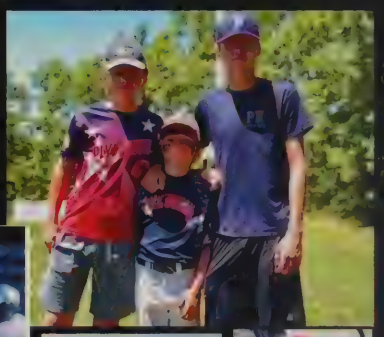
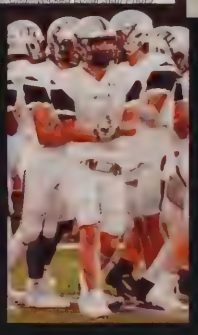
Wesley, Your self motivation and determination to strive to be the best you can be, shines on and off the field, in and out of the classroom. We couldn't be prouder of you. You are off to change the world. We love you endlessly!!!
Mom, Dad, Will and Henry XOXO
We will ALWAYS be your biggest fans.



Eagle senior Wes Hillman was the star of the show Friday night in what turned out to be quite a battle against winless Whitman-Hanson (0-7), scoring three times as part of a 34-30 win. Hillman found the end zone on a kickoff return, caught a 60-yard touchdown pass from senior captain Dallas Murphy, and most importantly, he hauled in a short TD reception from Murphy with seven seconds left that gave the Eagles the win



Reach for the stars, kiddo! The world is full of possibilities. Oh, the places you'll go!
